

Leadership Training Dates Set

"Everything I know - that helps me in all aspects of my life - I learned through Hadassah!"

That's what our *Leadership Training attendees* have said, especially after coming to one of our programs. Though in the early planning stages, we encourage you to hold the date for the annual Leadership Training in your area. Lisa Aisner, HSC-wide Leadership Chair has announced

that these are currently scheduled for:

- Tuesday, Sept. 9, 10:00 a.m. to 2:00 p.m. – Northern Area
- Wednesday, Sept. 10, 10:00 a.m. to 2:00 p.m. – Metro Area
- Wednesday, Sept. 10, 6:00 to 9:30 p.m. – Long Beach/Orange County Area
- Thursday, Sept. 11, 10:00 a.m. to 2:00 p.m. – San Diego Area

The invitation mailing list is being compiled over the summer months. If you'd like to be invited, call your local Area Resource Center (see pg. 2). The Desert/East Area's annual Leadership Training will be scheduled later in the Fall when desert snowbirds have returned to the area.

Group and Council Presidents will be invited to specially-designed trainings, just for them, the week of August 11th! Watch your snail-mail or e-mail box for your personal invitation.
